Introduction to ViolinPanda

Welcome to **ViolinPanda**, your all-in-one online learning platform designed to help adults and beginners of all ages discover the joy of playing the violin. Whether you are picking up the instrument for the very first time or looking to refresh and grow your skills, ViolinPanda gives you the tools, structure, and support you need to succeed.

At ViolinPanda, learning doesn't stop at video lessons. Our platform is built to make your journey engaging, interactive, and personal:

- **Step-by-step courses** – From the Free Mini Course to Beginner, Intermediate, and beyond, you'll always know what to practice next.
- **Membership benefits** – With an active membership, you can enroll in *any or all* courses on the platform and learn at your own pace.
- **Lesson navigation made easy** – Every course comes with clear video lessons, progress tracking, and playback controls so you can slow down or speed up depending on your needs.
- **Send-In Videos** – Upload your own practice videos, receive personalized tutor feedback, and even attach supporting files such as PDFs or sheet music.
- **Community & interaction** – Comment under lessons, join discussions, and be part of a growing community of learners.
- **Dashboard tools** – Manage your courses, subscriptions, calendar, profile, and Q&A all from one central hub.

Our mission is simple: to make learning the violin **accessible, encouraging, and fun**. Every feature — from enrolling in courses to receiving direct tutor feedback — is designed to keep you motivated and moving forward.

This guide will walk you step-by-step through how to:

- Log in or create your account
- Enroll in courses and start learning
- Navigate lessons and track progress
- Upload videos for feedback
- Use your dashboard tools effectively

By the end, you'll feel confident using every part of ViolinPanda Platform and can focus on what truly matters — enjoying your violin journey.

Welcome to the ViolinPanda family. Let's begin!

Remma you are a really great teacher, my long time problem was to understand this pencil - bowl hold technic...My dream is to build pre violin exercises for kindergarten kids and that why was this thing for me so important thank you so much

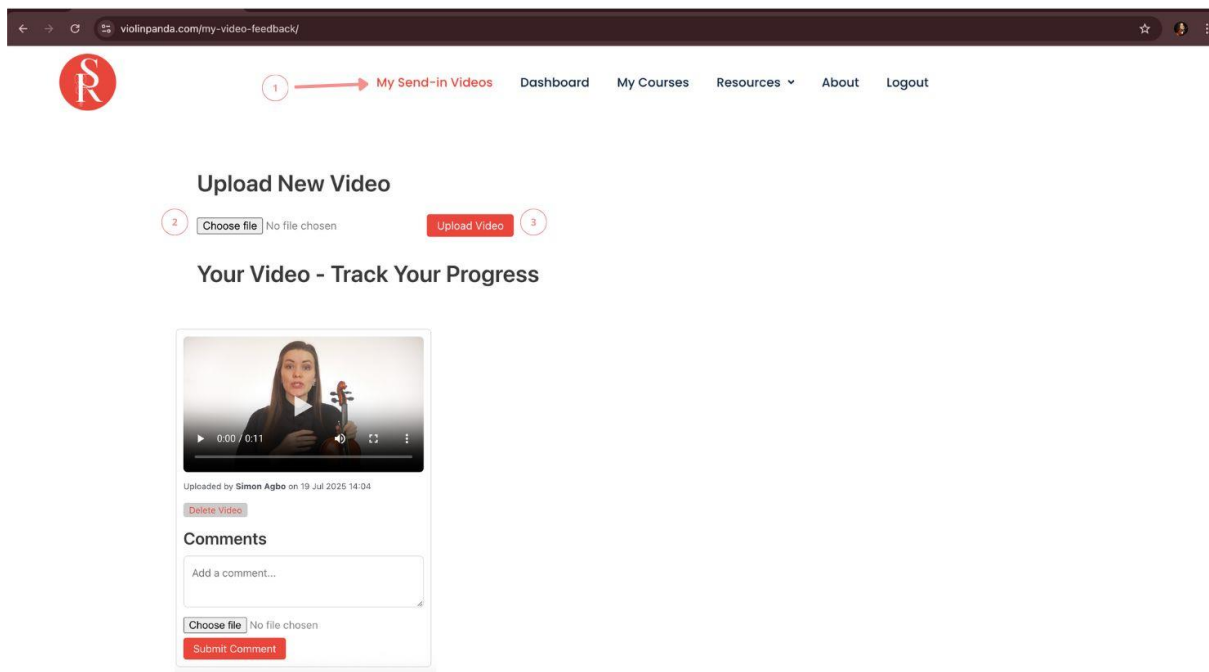

How To Send Videos For Feedback

Login first

- Begin by logging into your ViolinPanda account.
- 1. Click on “My Send-In Videos”**
 - a. From your dashboard, open the **“My Send-In Videos”** section.
- 2. Click on “Choose File” to upload your video**
 - a. Select the video you would like feedback on from your device.
 *The initial upload only accepts video files.*
- 3. Click “Upload”**
 - a. Your video will begin uploading, and you’ll see the progress on screen.

👉 The tutor will receive a notification once your video is uploaded. They will leave comments under your video, and you can also add your own comments.

👉 You will receive an **email notification** when your tutor has provided feedback. To view it, simply log back in and go to **“My Send-In Videos.”**

Additional Notes

- **Deleting a Video:**

You can delete your video upload at any time. However, please note that this will also delete **all feedback comments** linked to that video.

- **Comments with File Uploads:**

When commenting, you can attach different types of files (PDF, images, or even another video). This is helpful if you want to share sheet music, notes, or supporting materials.

Reminder: The first upload must always be a video file.

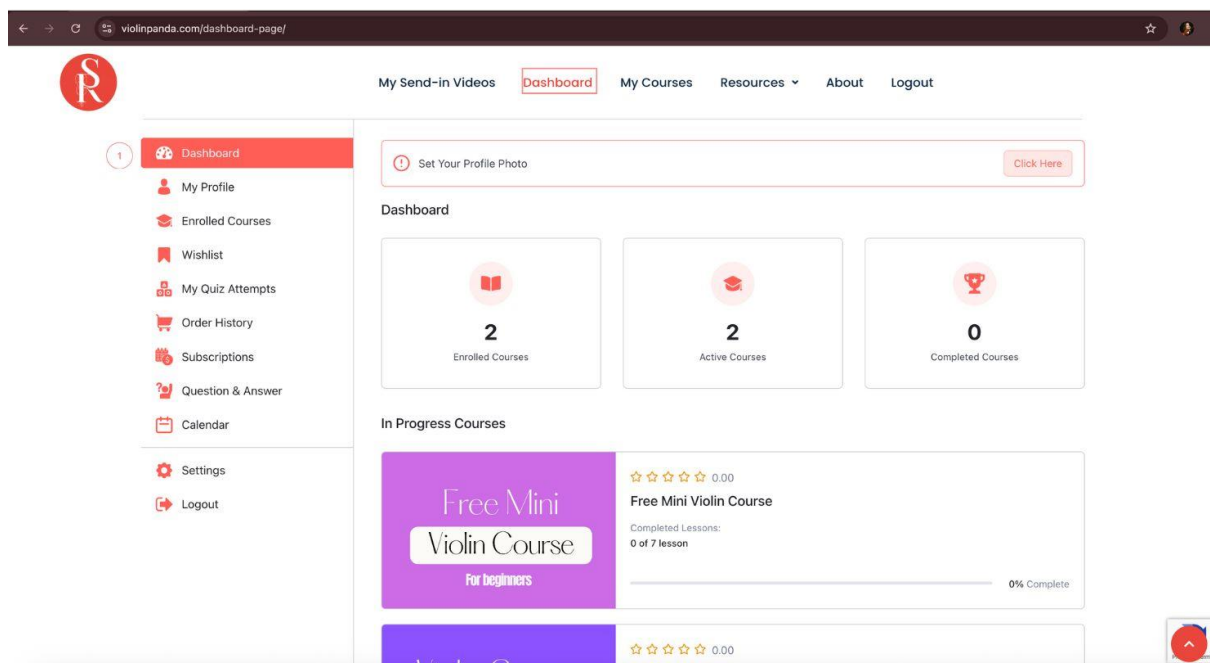

The screenshot shows the 'My Send-in Videos' page on violinpanda.com. At the top, there's a navigation bar with the SR logo, 'My Send-in Videos' (highlighted), 'Dashboard', 'My Courses', 'Resources', 'About', and 'Logout'. Below the navigation bar, the main heading is 'Upload New Video'. Under this heading, there's a 'Choose file' button (labeled 'No file chosen') and an 'Upload Video' button. The main section is titled 'Your Video - Track Your Progress' and displays three video thumbnails. Each thumbnail has a 'Delete Video' button below it. Below the first video, there's a 'Comments' section with an 'Add a comment...' text area, a 'Choose file' button (labeled 'No file chosen'), and a 'Submit Comment' button. Red arrows and numbers 4 and 5 point to the 'Delete Video' button and the 'Submit Comment' button respectively. The bottom right corner of the page has a 'Privacy - Terms' link.

Navigating Your Dashboard

Login first

- Begin by logging into your ViolinPanda account.
1. **Click on “Dashboard”**
 - a. This is your main control panel where you can manage your learning journey.
 2. **Explore the Tabs**
